

The 7th Combined Meeting of the Orthopaedic Research Societies Oct.16-20

2010年10月21日

The 7th Combined Meeting of the Orthopaedic Research Societies started with opening address made by Dr.Shimizu, the President of CORS2010. Participants from all over the world gathered together to present their latest study, and open Lecture for Citizens was held during the session. Also, participants had the honor and pleasure of having the remarks by His Imperial Highness the Crown Prince at Commemorative Ceremony in the middle day of the whole session. As the cultural experience program, Tea Ceremony and Japanese Calligraphy class took place inside the Exhibition Hall and Hoshou-an Tea House.
