

## The 2010 Kyoto Prize

26th November, 2010

*The Presentation Ceremony of the 2010 Kyoto Prize that is given to those who have made significant contributions to the progress of science, the development of civilization, and the enrichment and elevation of the human spirit, was held on 10th November. This year is the 26th since establishment of the Kyoto Prize. The Kyoto Prize, which is an international prize, is annually presented by the Inamori Foundation and consists of the following three categories; Advanced Technology (Dr. Shinya Yamanaka, age 48, Japan), Basic Sciences (Dr. László Lovász, age 62, Hungary, U.S.A.), and Arts and Philosophy (Mr. William Kentridge, age 55, South Africa).*
