

ICC Kyoto had a Tea Ceremony "Hosho-an Chakai".

December 4, 2009

Kyoto International Conference Center had a tea ceremony "Hosho-an Chakai" on the 22nd of November. This tea ceremony is one of our original events open to the public. We held this tea ceremony party twice a year in spring and autumn.

In spite of the bad weather from afternoon, more than 520 guests could join our tea ceremony from all over Japan. We are deeply grateful to the guests for their kindness. And also, we highly appreciated the cooperation of Urasenke. ICC Kyoto is looking forward to welcoming you to the next tea ceremony planning on the 29th of April, 2010.
